

PRESS RELEASE DATED 21st APRIL 2020

The Ramco Cements Limited applauds the untiring efforts of the Honourable Chief Minister of Kerala Mr.Pinarayi Vijayan in the fight against COVID-19. In consultation with the Hon'ble CM, Mr.M.Sivasankar, IAS, Principal Secretary, E&ITD, and Dr.Navjot Khosa, IAS, Managing Director of Kerala Medical Services Corporation Limited, the Ramco Cements Limited procured the much needed high end medical equipment worth approximately Rs. 48 lakhs required for treating the patients affected by Corona virus. (In the attached photo, Ramco Cements representative Mr.K.S.Venkatraman, DGM-Marketing, is handing over the documents to the MD of KMSDC)

Equipments given include Multi parameter monitors (modular type with capnogram) and Portable colour Doppler with ECHO and are of the most advanced type which can be used in an ICU set up for handling any patient requiring critical or emergency care. The equipments, being portable, can be used both in ICU as well as medical camps.

It is noteworthy to mention that RAMCO Cements, the leading cement seller in Kerala, has always unflinchingly come forward with their generous contribution every time Kerala had a crisis. During the last floods, they not only contributed generously to the CM's relief fund but did very extensive relief work throughout the length and breadth of Kerala through their large network of channel partners.

The Ramco Cements Limited has been at the forefront of CSR for several decades now. The recent outbreak of COVID-19 made the company proactively partner with government administrations, in the fight against the coronavirus in its operating states of Tamil Nadu, Kerala, Andhra Pradesh, Telengana, Karnataka, Bengal and Odisha.

RAMCO CEMENTS DONATED HIGH END MEDICAL EQUIPMENT - MONITORS AND ULTRASOUND SCANNER ECHO MACHINES - FOR RS.48 LAKHS TO KERALA GOVERNMENT. MR.K.S.VENKATRAMAN, DGM-MARKETING, THE RAMCO CEMENTS LIMITED, HANDED OVER THE DOCUMENTS TO DR.NAVJOT KHOSA, MD OF KERALA MEDICAL SERVICES CORPORATION LIMITED, ON 20-APRIL-2020.
